

Make The Loop Game Cards CVCe Words

Make the Loop Game Cards were created to reinforce reading and writing skills and can be used when you have just a few minutes to play.

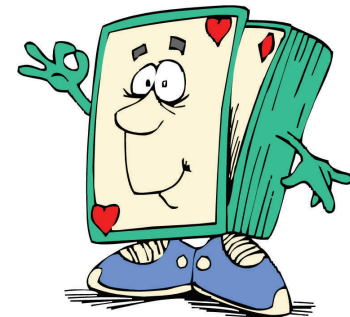

The focus of this particular set is on writing CVCe words.

HOW TO PLAY

Give each student one card until all cards are given.
Some students may need extra cards to be given in order to disperse all cards.
One student begins by writing a word on the card.
The student who has the word on the previous card goes next.
Play continues until you get back to the student who began.

If time permits, you can have the students trade cards and play again.

**Two blank cards have been included and be used as replacement cards if needed.
